Capability Statement — Automatic Gates

At Magnolia Fence & Patio, we make access effortless at the push of a button whether it's sliding or swing gates to heavy duty commercial systems.

CORE COMPETENCIES

- **Commitment** to customer satisfaction before, during, and after service..
- **Safety - First** installations with modern protection features.
- **Custom** solutions for residential and commercial properties.
- **Support** with key code resetting, remote/clicker pairing, and troubleshooting.
- **Preventative Care** Bi-annual and annual maintenance plans to ensure operational reliability.
- **Expert** adjustment and repair for Iron, Vinyl, and Wood gates (including Easy Brace installation).
- **Custom Fabrication** for metal gate designs and painting.
- **Professional** custom color fence staining and long-term stain maintenance.

DIFFERENTIATORS

- **Residential to Commercial, No Guesswork:** From single-family driveways to high-traffic commercial sites, we match the motor, hardware, and controls to real-world use.
- **Built Right Before It's Automated:** A great motor means nothing without a perfectly built gate. Ours are engineered for balance, strength, and long-term performance.
- **Smart Access, Your Way:** Remotes, keypads, GSM, intercoms, and access control integration. We make it simple for homeowners and scalable for businesses.
